

PRINCESS IDA - REHEARSAL SCHEDULE

This schedule is a guide for setting purposes. However, once music numbers have been set we will be refreshing them as often as possible so it would be very helpful if all principals could come to all rehearsals so that we can slot in anything not on the schedule when there is time. There is plenty of music for people to learn so hopefully nobody will have a wasted evening! To save typing out all their names every time, Arac, Guron and Synthus have been abbreviated to AGS.

And finally, if you think you should be on the list but your name isn't there, please check in case I've had a senior moment!
